What is the Big Picture?

- Written by Jane Johnson – Founder of One United Body

This is meant to summarize key points that are explained more in our pages:

- Co-heirs of the New Earth reigning with Christ.
- Having dominion over creation.
- Being able to play a part in creation and restoration of all things.
- Contributing to the billion-fold harvest through accelerated ways of operating.
- Becoming the descending New Jerusalem to govern.
- Being in total union with everyone (not just the Godhead).
- The ecclesia is the bride not the individual.
- Recognizing we can work towards being without genealogy through order of Melchizedek.
- Moving beyond operating in gifts individually to operating out of the four faces.
- Not redeeming an old earth but exploring operating out of the age of new beginnings and beyond.
- Becoming manifest sons on a journey of being lords, kings, chancellors, mature sons & manifest sons revealing a transfigured body able to transcend dimensions.
- Governing in eternity from the bench of 1, bench of 4 window (Trinity plus us).
- Becoming the Ancient of Days.
- Operating out of different ages.
- Operating out of different timelines (individual, Earth's, forerunner bench timeline and final blueprint).
- Creating and Ruling over new cities as a bench of 2 to bring flow from eternity.
- Moving into our fullest destiny written in our book of destiny.
- Seeing the combined mountains of a mature son.
- Forming benches of 12 fathering others.
- Entering cities to govern from there (New Jerusalem, Zion, City of Light).
- Releasing qualities of the Godhead before creation.
- Giving over self-government and the ego to God's full government.
- Becoming like a child to enter eternity.
- More than fixing our world.
- Contributing to the first resurrection.
- Bringing the Lost into higher realms.
- Being a gate to mandate angels and give bodies to the Dead in Christ.
- Becoming part of the bench of 1 in eternity.
- Discerning big blueprints for end times.
- Understanding New Heaven and New Earth and how we can access them today individually.
- Uncovering mysteries (Daniel calling).
- Redefining the church into a new ecclesia wineskin.

- Bringing the body into immortality and complete perfection so we can skip Death.
- Fathering generations like Abraham.
- Becoming love the ultimate expression.
- Becoming The Way, The Truth & The Life like Jesus (becoming the I am).
- Living out of the current New Earth now.
- Engaging the full 12-fold governmental union and headship with Christ once we have entered and possessed all 12 heavenly cities.

Seeing larger mountains now described as:

- Discovery
- True, Living & Everlasting Wineskin Immortality
- Judging to life the ecclesia
- Creating New Earth
- Ruling over cities created in infinity
- Governing the eternal blueprint from eternity
- Governing over other governance – fallen angels, distorted DNA created by fallen angels
- Governing over bringing all timelines together

Topics for New People in Heavenly Realms

- Written by Jane Johnson founder of One United Body

These are not fixed steps so be led by The Spirit and seek balance between intimacy and responsibility. Everything is done in Relationship which is more than intimacy. Responsibility involves relationship.

Look for [accelerated ways of learning](#). Getting with others to access Heaven as quick as possible helps you to see more quickly.

This will give you a general overview. We are seeing it is a time to redefine the temple. We are the temple (so how we do Church is critical). We move to the New Jerusalem now. Not restore early Church methods.

1. Understanding circular not linear thinking. [Hebrew versus Greek Mindset](#)
2. Opening your [gateways](#) (these are ongoing so this does not need to stop you moving on to the next stage)
3. How to see in The Spirit (can start using faith and imagination gateways and choose to go to places even if you can't see).
4. Putting your soul & body under your spirit. [Activation](#)
5. Entering the [four chambers of the heart](#) ([Garden of God and your garden](#), the dance floor and the bridal chamber, [the soaking chamber](#)).
6. Learning the court system and agreeing with the accuser - see [Court Protocol and Preparing Court Cases](#).

Stumbling Blocks Progressing in The Heavenly Realms

by Jane Johnson

BELIEVING IT IS ALL ABOUT INTIMACY / bridal preparation / sanctification RATHER than dominion or DNA transformation (To move beyond the shadow of Death). WE ARE HOLY.

WAITING TO BE LED all the time, but not seeing our corrupt mind can close gateways so we won't be led in certain directions, but we may not realize it. Also God wants to use the body so often won't reveal directly to us if we are not honouring the body by at least considering their revelation. Does not mean we are to follow anything without checking in heaven. I cry out for truth daily. As a mature son we can feel or desire to do certain acts that we may not see in vivid pictures.

NOT UNDERSTANDING THE TIMELINE AND SPIRITUAL AGES SO we don't know if a verse in the Bible is for now or not.

NOT CROSS-POLLINATING but sticking with a tribe who may be operating at a lower age. All ARCs operate at a certain age and this is part of why they are different.

NOT GIVING BACK ANY REVELATION TO THE BODY - keeping for profit / copyrighting / or just so people won't pervert it without proper explanation. Dialogue and encounters stop perversion not preaching it from a distance and most revelation needs updating very quickly as becomes of an old age so books can be dangerous.

WANTING TO WORK FULL TIME IN MINISTRY SO NEEDING TO CHARGE FOR MATERIAL - causing a lot of false trading as need to keep courses going to raise money and can stop people moving to a higher calling that is not paid. Payment is deemed a form of credibility contributing to paid clergy / laity divide. We then end up with experts not priesthood of all believers.

DOING THINGS IN A LINEAR FASHION TO AVOID OVERWHELM, i.e. will learn about courts first, but Heaven is not linear (more spiral / multi-dimensional). Going where life, joy, fun is good which may mean operating at different ages.

MOUNTAINS COMBINE when you go up in higher ages so things simplify and scrolls get defined in bigger more positive terms and less earthly. New Heaven terms, e.g., Lion sitting with the Lamb. Seeing words like complete health, unlimited supply, total justice, full truth.

STUMBLING BLOCKS PROGRESSING IN THE HEAVENLY REALMS

Always look at how far you have come though and celebrate your progress to experience joy.

WEAKEST GATEWAYS

Only going through the **same gateways**. The more that are open the greater our **sight and progress**.

DISTRACTED BY LIFE

Not willing to pay the cost? **Intimacy, doing things in rest and knowing our scroll**, makes the cost seem very small.

HEAD KNOWLEDGE

Not **applying knowledge** by going into heaven.

FEAR OF MAN

Fear of contributing unless **corrected or mocked or judged**.

FEAR OF LETTING OUR IMAGINATION BE FREE

and having **faith** as a little child.

FEAR OF LACK OF COMMUNITY

Holding on to **old wineskins and old mandates**. Let go of the old to form **new community**. The old was having limited effect.

COMPLACENCY

I will get to it **some day** but that day does **not** come very often.

NOT FINDING YOUR SCROLL IMMEDIATELY

This gives great hunger and direction to where you are going.

EXPECTING TO SEE EVERYTHING

Hearing and discerning in the spirit is still a valid way to **walk with God**.

BECOMING ISOLATED

Only going into heaven on our **own**. One anothering is a strong **biblical principle**.

FEAR OF HERESY

I might be **misled** (more likely in heresy by not investigating things as open debate reduces heresy).

LACK OF EXCELLENCE

Saying it is okay to have **different expressions of church** so miss the biblical/heavenly **blueprint**.

NOT WORTHY TO GIVE

Believing you will **give** when I know more. We **learn** by giving.

STUBBORNNESS TO CHANGE

Always done it this way or that way won't work - **believing** we need face to face for **community**.

NOT TAKING ON THE AUTHORITY

we are **given** and holding back for **fear** of the enemy.

9 VOICES

Not recognising in **heavenly realms** that testify to our ability to go into the **courts**.

SPIRIT MAN

Not building it **up** enough.

EMPLOYING EXPERTS

to take us into **heaven** or do court cases regularly instead of **learning** to do it **ourselves**.

TRADING ON WRONG PLATFORMS

Maybe even attending a church **not** based on **good principles**.

WANTING TO CLEANSE

Working on **our mandate** and going to places of intimacy can be done along side. **Balance** is always better.

WANTING THE BLESSING

for our own circumstances so **not** helping others.

NOT TAKING AUTHORITY

over a familiar **spirit** when it has already been dealt with in the **courts**.

WAITING FOR GOD

rather than recognising **HE** waits for us to desire more.

NEED TO UNDERSTAND

the **theology** and/or **science** first before seeking **intimacy**.

If You Are Very Sure You Are Led By God Do Watch This as This May Be A Stumbling Block For You

ARE YOU REALLY LED BY GOD? By Jane Johnson

<https://youtu.be/rMUJ4PwbcVc>

One of my longstanding **mandates** from the Lord has been to remove the **stumbling blocks** out of the way of **God's people**.

These are some **stumbling blocks** I have discerned in the **heavenly realms** that can or are stopping people from entering fully the **Holy of holies**.

You could **choose two** and really seek to work on those this week or keep coming back to this document to review. Taking these to the **courts** could help you move forward.

Always look at how far you have come though and celebrate your progress to experience joy.

Points from the Diagram explained in more detail

Complacency - I will get to it someday but that day does not come very often.

Not working on our **weakest gateways** and only going through the same gateways. The more that are open the greater our sight and progress.

Overwhelmed because of so much new **revelation**. This does pass and our hunger grows if we keep wanting more. Our **IQ** often increases from going into heaven.

Not being willing to pay the cost or getting **distracted by life** (Focusing on **intimacy**, doing things in rest and knowing our **scroll** and what part we were designed to make, makes the cost seem very small).

Thinking we have to see everything. **Hearing and discerning in the spirit** is still a valid way to walk with God.

Not applying knowledge by going into heaven. This leads to lack of confidence and inhibits seeing, as it becomes **head knowledge**.

Becoming **isolated** and only going into heaven on our own. Working as a body really helps and we need agreement with others to form a window to translate this to earth. **One anothering** is a **strong biblical principle**.

Fear of man - fear of contributing unless corrected or mocked or judged. "Fear of man will prove to be a snare." We are powerful sons who have a right to speak and to learn. We have to be willing to make mistakes.

Fear of heresy - I might be misled (more likely you are already in heresy by not investigating things. Open debate reduces heresy).

Fear of letting our imagination be free and having faith as a little child.

Lack of excellence - saying it is okay to have different expressions of church so miss the biblical / heavenly blueprint.

Fear of lack of community and so holding on to old **wineskins** and old mandates. We have to let go of the old to form new **community**. The old was having limited effect.

Trading on wrong platforms, maybe even attending a church not based on good principles. See [negative trading floor](#) documents.

Believing you are not worthy to give to anyone or I will give when I know more. We learn by giving.

Always wanting to cleanse. (Working on our mandate and going to places of intimacy can be done alongside). Balance is always better.

Stubbornness to change - always done it this way or that way won't work - believing we need face to face for community.

Wanting the blessing for our own circumstances so not helping others.

Not taking on the authority we are given and holding back for fear of the enemy. (When we know our mandate we are safe to take authority). In **heavenly realms** the **devil** is not allowed to act.

Not taking authority over a **familiar spirit** when it has already been dealt with in the courts.

Not recognizing the **9 voices** in Heavenly Realms that testify to our ability to go into the courts so fearing going into the courts.

Waiting for God rather than recognizing HE waits for us to desire more.

Not building up your **spirit man** enough.

Thinking we need to understand the theology and /or science first before seeking intimacy first. The OT fathers never had a Bible or science lessons.

Employing experts to take us into heaven or do **court cases** regularly instead of learning to do it ourselves.

Moving from Lords to Kings

January 2015 Jane Johnson Founder of One United Body

We know from scripture that Yeshua is lord of lords and king of kings (that is not just worldly lords and kings but us). This is my understanding of the difference between Lords and Kings from many many encounters.

KINGS

Kings MANDATE from their spirit so they can write on a scroll, something like Sonship, unity, spiritual fathering, or something to do with your mountain like a cure for a disease that wells up in them as from heaven etc., for example – it still has to be approved by a chancellor and written into legislation by scribes.

LORDS

Lords PUT INTO LEGISLATION existing mandates approved by lower chancellors (these are different from higher chancellors of 12 chancellors houses such as Melchizedek). So legislating does not mean creating or mandating but doing what is necessary to come into alignment with what has been mandated already. RULING on your personal mountains daily like health, family, own spiritual walk, finances, relationships, is really important. That means sitting with Jesus in rest together on top of all your mountains and seeing what needs dealing with as situations arise. Mandating angels to guard those mountains is good so you don't have to carry a burden for daily maintenance. A lower age is to see if any giants are ruling but once cleared you can rule through other methods like raising your hand / or sceptre, hearing accusations and dealing with that in court of accusation, releasing yourself as a light frequency, roaring over situations (engaging the face of the lion which is the kingly function). As a King we can present a case to the court of 70 if you feel called there. Usually only comes when confident operating as a King.

JUDGES

Judges can overrule lower chancellors verdicts. We can be given authority to be a chancellor approving laws, statues and precepts in certain areas as we become very mature. Understanding natural court systems can help. Often you are given signs that you have this sort of role like blue rings, told you are a judge. We are often given many crowning ceremonies as you mature. First an investiture and then coronation as we begin functioning. My experience in knowing I was to move to Kingly mandating was that I was given a second crown and a strong picture of my mandate and a huge desire to see God's kingdom manifest. About a year after acting consistently as a King I was given a coronation and then another crown came knowing I was to move to another level. So crowns are very important as Satan recognizes our authority by our crowns. It is not just that as a Christian we have every authority to deal with anything in the universe. Interestingly, it was quite early on in my journey but I was consistently ruling on my mountain. I keep cleansing as a daily thing as the spirit convicts me as I go

about my routine. (Not religious praying through a list but heartfelt turning so I was not trading on any wrong floors). Some days I wake up and feel an immediate urge to deal with this or that (which I see as mandates given in the NIGHT WATCH), but most days I see my mandate as I outwork or read things or interact with the world.

How to move from the old WINESKIN to Being the new WINESKIN

by Jane Johnson

As we learn to operate out of higher ages this material may change. Please share if you are blessed by this as we need to start cross-pollinating. Facebook is great for this so we are not forcing things on people who have no hunger.

HOW WE DECIDE TO OPERATE IN THE ECCLESIA HAS PROFOUND **IMPLICATIONS**. Our mandate is to REMOVE THE STUMBLING BLOCKS AND HERE ARE A FEW I SEE WE ARE ALL VULNERABLE TO FALLING INTO.

As a **learning and development professional** I see many practices in church settings that are not conducive to **good learning** and are not modelled in the Bible.

Here is what I see in the **Bible**, I see in **heaven** and is a better way to learn:

- Getting into the HOLY OF HOLIES and higher realms **quickly no matter how little knowledge you have so you are engaging The Tree of Life not eating from The Tree of Knowledge. JOINING WITH OTHERS ALLOWS YOU TO SEE** so much quicker and have greater authority.
- **LIVING FROM THE SOURCE OF HEAVEN** continually not just popping in occasionally.
- **UNTETHERING** from traditional church as fast as you can may help you not trade into poor trading floors but developing intimacy with the Godhead, finding others to bench with over mountains in your book of destiny and getting a mentor can really help.
- Setting your heart on those you are led to, infusing knowledge so no verbal communication is necessary (form of telepathic communication that Jesus displayed)
- **NOT GOING SOLELY INTO HEAVEN TO GET YOUR OWN NEEDS MET** but taking responsibility for others with the same issue can increase our ability to change the world and bring heaven to earth.
- **RULING AND REINFORCING VERDICTS** . <https://youtu.be/KXgPbHbzTxk>. A lot of people who receive deliverance, often have those things returned again because they don't know how to rule.
- **BEGIN ONE ANOTHERING, MULTIPLYING YOUR LIFE**. Click here to find biblical basis for One anothering ([see page](#)). Small groups don't change the world. We

must multiply our lives to see a movement grow. The moment you know something you have something to pass on.

- GETTING REVELATION and **APPLYING**/re-encountering IT STRAIGHT AWAY (this is why conference learning and **spirit schools** are not the best). We are kings 24/7 not the occasional act of ruling.
- **TRYING TO EXPLAIN** it to others really helps and you can even get new **revelation** from heaven in the process sometimes! Contributing in daily chat groups can really help this grow and you do your part for the ecclesia. One of the 12 laws of Jerusalem is **SOWING AND REAPING**. Then you are learning to father and disciple. Jesus called us to go and make disciples not bring people to church for others to father.
- **SEEING THINGS IN WRITING** increases retention more than hearing so finding a **balance** of written and audio materials is best.
- If you are doing any **learning interventions** for people, try to give them exercises to practice and reinforce with visual elements.
- **TEACHING AS DEBATING**. **Debating** was the original meaning of teaching in **scripture** not listening – there was so much debate when Jesus was on the earth and people were allowed to ask questions. Debate allows us to overcome **mindsets** and blocked gateways. Listening to sermons only has limited retention and usually around 20 mins. If you don't apply what you learnt in a teaching session its blessing on your life will dissipate within weeks.
- **Daily discipling** was the model of the early church. We can do this by using a lot of **online methods** these days such as messenger groups and Facebook chats on pages or messaging/texting each other.
- **Coaching/mentoring** is a great tool to give a **sounding board, accountability, setting goals, overcoming obstacles**. Giving permission for someone to speak into your life can be awesome as long as you ultimately know how to seek heaven to so no over shepherding is going on (See our page on over shepherding).
- **Networking** to get resources tailored to you.
- Keeping **momentum** by listening to frequent resources to **boost faith** and sharing what you have learnt to reinforce learning. Trying to explain it to others is a great exercise as helps you know if you have absorbed something.

The great fact about this generation is that the **technology** allows us to seek resources that are the best in the world. We were never meant to stay in one small location dealing only with the same people for years (**traditional church thinking**). This technology can be a real blessing to seeing a more **heavenly blueprint**.

How to move from the church era to the kingdom age and higher ages

One of the best recordings I have seen summarizing how to operate.

Heavenly Blueprint of New Ecclesias

Written by Jane Johnson, founder of One United Body

This is a compilation of revelation from what many have seen in the inner court and from many Bible verses not really understood from a Hebrew mind-set, as the culture of heaven. It is open to others adding or debating these principles as a culture of honor is a strong part of the unseen world in the Bible.

A strong understanding by facilitators is really important before starting to build a healthy ecclesia, as is evaluating it regularly with all sons. It is hard to change once a culture is established.

- We are in a new spiritual season called **the Order of Melchizedek** .
- We are a **Joshua and Daniel generation** with a choice of crossing over into the promised land and of engaging more directly with the heavenly realms, seeing that it was a misrepresentation that we have to die to access heaven.

It must be a new wineskin.

- **We do not mix old and new wine** or patch up an old wineskin as a major restructure is required. Being willing to go where God is leading, knowing the times and seasons, and not taking camp are key characteristics of a committed follower.
- We are spirit beings with a soul and a body. We are sons not servants or orphans, moving from Lords to Kings to Lower Chancellors to Higher Chancellors operating in the courts of heaven. **We are not given all authority when we first come into relationship.**
- **Restoring CHRIST** as the real head and returning the Ecclesia to "as it is in heaven" not a hierarchy of leaders.
- **We are all part of one body**, regardless of location, moving away from denominations, networks or paid apostolic covering. We seek full unity, not partial.

We don't GO to church.

We **ARE** the ecclesia. So we don't just go to one location for all our needs which can lead to being insular. All of life is doing church even our work.

- We understand the **four levels of the Ecclesia** ([see separate page](#)).
- **Intimacy with the Trinity** is critical as a base for the purity of motives. We present **cases** in the courts to remove the legal right of the enemy to act by hearing accusations and agreeing with the accuser (Operating in the Courts by Henderson).

- **Spiritual Fathering / one anothering** - allowing others to rise above the mentor is foundational (multiplication not spiritual addition).
- **No hierarchy** - we are all powerful sons so moving away from the traditional senior pastor role instigated by Constantine in 300AD (see Ezekiel 34).
- **Open participatory** gatherings with mutual edification in gatherings moving away from predominance on sermons - each bringing revelation, teaching, song, testimony (1 Cor 14:26) (See Reimagining Church for biblical reasoning).
- No **prayer** meetings just asking God for things, but seeing into heaven then legislating, decreeing, shining light, dealing with principalities, powers and dominions.
- Understanding The Order of Melchizidek (as in, Jesus is in the order of Melchizidek) and that we all have **apostolic, prophetic and kingly (strategic)** elements. It is good to look to many apostolic resource centers who resonate with the apostolic eagle face of God until more maturity is gained in the body.
- We are **One United** Body therefore we promote having hubs that are not under one apostolic resource centre or a network. Input from many sources is ideal as it encourages less heresy as we all are only given parts of the big picture.
- **Benches of 12** are used in governance (drawn from the 12 laws of Zion, 2 x 12 = 24 elders, 12 stones on the breastplate, and 12 strands of DNA). Often used to validate decisions by benches of 3.
- **We seek** to first find out what the Father wants in heaven and not administrate from earth but learn to **administrate from the heavenly realms**.
- **Legislating and decreeing before** seeking to build in the natural. Lucifer operates in the earth, the kingdom of God and the kingdom of heaven but not in heaven or higher realms.
- We all see our role as the one new man in Christ, to restore dominion over the earth, therefore **responsibility is important not just intimacy (Genesis 1)**.
- Understanding the difference between the **domain of God, the government of God and the presence of God**.
- **Facilitators seek to empower other's scrolls** not to raise dependent disciples needing prayer and prophecy and deliverance. Coaching and facilitation skills are important.
- We need the **BAPTISM OF UNITY**. All one church under Christ across the world so looking for agreement is critical – not just doing our own thing, ignoring or failing to promote others.
- **All people are allowed a strong voice**, not just leaders, as we are all powerful sons.
- We must all be clear on our **Mountains of Authority and the Level of Authorization** we have, rather than choosing to do court cases for things outside our jurisdiction.
- We seek **guidance by revelation backed up by the word** rather than academic exposition of the word.
- **No ecclesia provides spiritual covering** - only Jesus is our spiritual covering.
- We need **reformation before revival** can come and a new wineskin.
- **Reconsidering membership**, as we are all part of Christ's body and this can drive the formation of denominations.

- **Moving on from the soaking movement** as we legislate in heaven.
 - **Moving on from the glory movement** of signs and wonders, to becoming the sign and wonder as a manifest son of God.
 - **Reconsider owning** buildings that stop a church evolving easily and organically.
 - **Leaders are facilitators**, rather than having authority to exercise - looking to empower rather than insisting things are approved by them. Strong disciples are made by being exposed to debate.
 - **Mutual submission** to one another not to an organization or leader, i.e. two way.
 - **Everyone exercising gifts** - no one refused on the basis of familiarity. Honour means trust.
 - **We are all ordained** - no ordination required.
 - Grouping over **scrolls** and legislating more than locality.
 - **Moving away from condemnation** of other's ministries including non-Christian groups but looking for areas of agreement.
 - **An Ecclesia that is mobile, evolving** and existing for those who do not currently believe, more than to support existing believers.
 - **An Ecclesia that encourages people** to go to the inner court and the holy of holies before becoming dependent on prophecy, ministry, prayer or supernatural manifestations (i.e. not just staying in the outer court).
 - **Community with a purpose** (*communitas*), not just community.
 - **Evangelists teaching us how to reach out**, not just doing evangelism ministry themselves.
 - We are not to **idol worship teachers or apostles** but learn to access the inner court ourselves, so moving away from chasing celebrity ministries without application of the material and actively seeking community.
 - **Equipping of the Saints** versus supporting the leadership vision.
-
- **People encouraged to give "gifts and offerings"**, to the whole body not just the local church - which are voluntary and come from honour and love - moving away from a duty offering of 10% (which may be above 10%).
 - **Moving away** from deliverance to overcoming.
 - **We operate in all FOUR FACES OF GOD. The use of individual spiritual gifts is less predominant** as we enter a higher way. We operate in apostolic, prophetic, kingly and priest together.
 - **Going through the veil together** and coming into agreement with others can open gates.
 - **Returning to the original meaning of teaching** as "debating".
 - **No paid pastoral salaries** - giving goes to the poor.
 - More than a salvation message, but a **union message**.
 - Developing understanding of the **four levels of the Ecclesia** (everyplace, local, city, worldwide) not just local gathering.
 - Moving to a **Movemental** paradigm (combination of early church, grassroots renewal movements, missional incarnational and apostolic movements).

Biblical basis

See many books referring to the scriptural basis for these such as **Reimagining Church** by Viola or **Engaging Heaven** by Ian Clayton or **Second Coming of the Church** by Barna. This list is open to additions - [contact us](#) Or visit our [Facebook group](#) for more information.

Untethering and Learning to Tether to Heaven.

TETHERING

You can positively tether to heaven by entangling heavenly beings and the Trinity.

The more you connect the more you tether in a good way.

INTIMACY

If struggling with passion for spiritual things do check our [Ways to Find Intimacy](#) page.

Tethering is connecting to & **Untethering** disconnecting from.

- We do both frequently.
- We untether after discovering that something is old or not highest blueprint.
- We tether after seeing something as new or highest blueprint.

Here is a recording about Tethering & Untethering:

Culture of Heaven and Values of One United Body

Written by Jane Johnson - founder of One United Body - July 2017

NO TAKING CAMP - we are on a journey to operate out of higher and higher ages so we grow in the size of our spirit man and are able to have dominion - which means we have to change what we do so investing as little as possible in infrastructure allows flexibility to change the way we do things.

NOT CHARGING FOR ENCOUNTERS OR A MEMBERSHIP FEE OR ASKING FOR MONEY FOR A BUILDING TO DO A SPIRIT SCHOOL TO PAY FULL TIME WORKERS.

HONOR - Intense honor of all but that does not mean we can't challenge concepts in a loving way.

SUSPENDING ALL CONCEPTS OF WHAT CHURCH/ecclesia looks like and be willing to give up old methods.

STAYING IN RELATIONSHIP and not discerning spirits in people but dialogue and having an open mind until a working relationship can happen based on a higher level of blueprint in heaven (the higher the age we operate from the more agreement as we talk in terms of new heaven / new earth values).

VULNERABILITY - willing to share and be wrong or share from a "this is what I sense" rather than scripture says this and you must be wrong.

NO JUDGEMENT OF MOTIVES OR VETTING OTHERS BEFORE THEY CAN CONTRIBUTE FOR FEAR OF THEM SPREADING HERESY. Heresy comes from lack of dialogue and challenge.

ALL EQUAL FACILITATION/responsibility with no spectators or set leaders.

MOVING TO BENCHES THROUGH RELATIONSHIPS NOT CASUAL ENCOUNTERS OR LEARNING ALONE.

RATIFICATION WITH THE BODY - we are, however, moving to more and more infused knowledge and so will require less and less teaching.

DAILY DISCIPLING NOT ACADEMIC COURSES with a set curriculum. Heaven disciples but the body by sharing testimonies and not content can encourage faith, hope, and desire.

LIVING 24/7 out of the river of life so not eating from tree of knowledge of good and evil so being led by desire, joy not a curriculum.

GIVING NOT JUST RECEIVING - giving back any encounter or discipling someone or legislating for others while dealing with your own issues all helps us be outward sacrificial beings and we reap what we sow.

NOT ENDING UP IN AN OBLIGATED RELATIONSHIP SO WE GET SOME STATUS.
We must be willing to keep moving according to our highest scroll and not trade wrongly. Working with those we resonate with the highest blueprint allows us to keep moving forward in our destinies.

Moving to Living Out of Desire Versus Being Led Every Step

Written by Jane Johnson - Founder of One United Body

Desire is a key culture of heaven. Psalms talks about, "He will give us the desire of our hearts."

He has put eternity in our hearts so we have an element of right desire in us.

We don't live out of duty, guilt, performance, but operate in our calling where desire is the strongest.

Opening and cleaning gateways is by desire.

One of the main ways you know you have a daily mandate is through desire.

Our Father is a gentleman and never forces His will so He waits for us. Heaven is not waiting for the right time but the right time comes from us deciding we will find out and do the will of heaven. The more who do that, it then manifests in looking like the right time for God to move.

The more our DNA is changed the more Desire is in line with the culture of heaven.

We don't do jobs in church to prove we are servant hearted to leadership.

We should have a role in line with our calling not just sit in an ecclesia to prove our faithfulness or who we are.

There is a strong chance if desire is not strong you will not keep going in the task or will burn out.

Intimacy and knowing our authority as king, chancellor fuels desire.

We are powerful sons who have the DNA of our father so the more mature we are the less we have to ask to be led as we know the heavenly blueprint and don't need permission for small issues.

Court of Accusation and Chancellor Court Protocol

Written by Jane Johnson - founder of One United Body

This document is a work in progress as we get to a higher revelation to give you a rough idea of principles and not meant as a script. If you can't see/hear in the spirit well, you can go in by faith initially.

COURT OF ACCUSATION

- ***Mobile Court*** - Zech 3 - Can be done as a group or as an individual.
- Enter through Jesus the door (Rev 4:1), ***the cross and the veil of life.***
- ***This is different from the veil of the way and veil of the truth.***

HONOUR

- ***Honour the cloud of witnesses, men in white linen, the judge, Jesus our mediator and Angels.*** We have [9 voices](#) in heaven that testify to our innocence and right to be in the courts.

ENSURE YOU HAVE A MANDATE

- ***First make sure of your scroll (calling) and you have a mandate to deal with an issue*** (Can ask to go into the [scroll room](#)). For anything personal or in your bloodline/family, you have an ***automatic mandate***. You have a mandate for anything to do with the body/ecclesia.

DISCERN ACCUSATIONS

- We need to remove legal access of the enemy by coming into agreement with the accuser.
- The cross took the legal right but we are dealing with ***LEGAL ACCESS*** here.
- We can ask what accusations are against us, or sense in our spirit, or confess what we know. The [trading floor document](#) on our site is really good to prompt areas.
- ***ASK*** one or all of the [9 voices](#) to ***TESTIFY TO YOUR INNOCENCE*** - many cover things with the blood or ask Jesus to be the mediator.
- The judge (***father***) declares your innocence and gives you ***DIVORCE PAPERS*** (non-guilty verdict).

YOU CAN THEN TAKE THIS VERDICT TO PRESENT AS EVIDENCE TO THE CHANCELLORS COURT.

DISCERN THE POSITIVE BLUEPRINT (opposite of the problem).

COME BEFORE THE CHANCELLORS COURT WITH HONOUR

- You can do this as a bench with your men in white linen.

- **Prepare a case** while considering: **facts, words, dreams, verses, and words of wisdom.**
- **Can ask a seer** to see what has happened in the **spiritual realms** after. Many see principalities slayed or signs of freedom.
- Go to the **Court of Scribes** to have this verdict transcribed.
- This legislation may be repealed in higher courts if a greater case is presented.

COURT OF WAR

- **The court of war** can be visited after for a strategy around the issue.

COURT OF ANGELS

- Then you can **mandate the Angels**. You can sense what category of angels you require (See [Angels page](#)).

RULING ON YOUR MOUNTAIN

- **Re- enforce the court order BY GOING TO COURT OF ANGELS** if necessary another time if you sense similar circumstances or familiar spirits speaking to you.
- **IT IS THE COURT'S JOB TO REINFORCE THE VERDICT.**
- If a **spirit tempts** you again you can cast it into the **fiery lake** for contempt of court.

TRADING ON THE SEA OF GLASS

- **Any scroll received** can be put in your belly and then traded on the **sea of glass** for revelation.
- We can store our papers in the treasury room of **Melchizedek** who is the chief chancellor of one of the **12 chancellors houses** (See pages on [CHANCELLORS](#)).

OPEN YOURSELF UP AS A GATE

- Translate verdicts to Earth by opening **yourself as a gate** and allowing angels to go through you.

LORDS

- Legislate existing blueprints you have seen. You must see a blueprint not assume something is of heaven. Even timing is an issue.

OPERATING AS A KING

- **Kings** create mandates out of our spirits which need to be authorized by the **chancellors court**.
- Examples include: sonship, transformation, fatherhood, living sacrifice, kingship, chancellorship, law of frequency - **like 12 laws of Zion**.
- **Mature Sons** - engage assemblies such as court of men in white linen, **council of 70** (seventy elders).
- Council of 70 is not the same as the galactic council.

ORDER OF PRESENTING CASES

- See [Diagram page](#) for **COURT diagrams**.
- I see there is an order to respect so we go through the **chancellors court** then court of judges then the **court of 70** if case is high level governmental. Smaller and personal issues mostly go just to the chancellors level. **Check this with wisdom yourself**.
- **We must go to the chancellors** to really present a case for the **positive heavenly blueprint** that is opposite of accusation against us like freedom, faith, humility, for example. So we are **filling vacuum with positive**. We **reinforce the positive** not the negative so our mind is filled with **positive thoughts** that we are healthy wealthy loving peaceful for example. We are then renewing the mind as it is **stored in our DNA**.

PRAYING FOR OTHERS

- The distinction is we can go into the courts on behalf of a body of people where we have seen an accusation.
- **Agree with the accuser** but we are **not** to agree with the accuser for an individual unless it is in our bloodline. They must **agree personally** as it is not our job to agree with accusations on behalf of a person (**This can be a form of control**).
- This is different when we have a mandate for a generic group that we are called to stand in the gap for.

RULING ON OUR MOUNTAINS

- We have **seven mountains** related to ourselves so when we reign on these we are acting as lords, e.g., **job, family, personal issues, causes, and outreach**. We need to see **mandates each day** for those mountains by asking for revelation then rule or bring a court case so we are legislating according to what has been **passed in heaven**.
- When we are given other **crowns** and often an **orb** it shows we have been given authority as a **King** and can go to the **Court of Kings**.

BUILDING RELATIONSHIPS TO START BENCHES

- *You can join our chat groups to find mentors, people with similar scrolls, someone to take you to court one or two times.*

The Importance of Understanding Ages and NOT TAKING
CAMP

Written by Jane Johnson - founder of One United Body

THIS MAY BE ONE OF THE MOST IMPORTANT PAGES TO GRASP

We invite positive contributions and ask you seek God for confirmation of your own definition of ages, so we are not reacting against religious waters in our body. It is your responsibility to confirm things in heaven. This understanding may change as this is the nature of living out of revelation not doctrine.

We would welcome, if you feel led, to SHARE ANY PAGES so we open up understanding to a wider audience. This topic opens up the understanding of how we can reside in eternity and govern from there so we are growing in understanding the immense size of what we are called to AS MANIFEST SONS.

AGES

We are resonating strongly with revelation on 9 ages:

Enlightenment, church age, kingdom age, ecclesia age, order of Melchizedek, peace, rest, new beginnings, Zion.

We are beginning to see we operate out of the age we believe in **governmentally**, so it is important to group with those who are moving in the same age and call others in. Trying to persuade or argue with those who are not hungry for change, we have found unfruitful. This does not mean we can't access any realm in Heaven but it is about where we govern from with the greatest authority.

AFTER seeking Heaven repeatedly in encounters about this at the moment I hear as a father, we need to grow in understanding and be led through some ages, rather than thinking we can function out of the last age immediately, as our spirit man needs to mature by taking responsibility to know heaven well enough that our creation is not destroyed. Responsibility is not works when done in rest and where joy and mandates exist (i.e. you're led not duty).

ENLIGHTENMENT

Where we get a sense of a higher purpose and a God and a sense there is a creation not random chaos under no authority.

CHURCH AGE

Where we have needed a covering or building instead of seeing we are the temple of the Holy Spirit or where 2 or 3 are gathered there is Jesus. We are seeing the five-fold ministry only is relevant in this age.

KINGDOM AGE

We begin to see that we fulfill God's purposes through our jobs/scrolls rather than just ministry in a church (often called Marketplace thinking). We move to understanding a large kingdom of heaven exists with many layers of heaven.

Moving away from bringing people into church and planting churches but making disciples and manifest sons. **ALSO RULING AS KINGS ON OUR MOUNTAINS** away from servants, bond servants or orphans. We understand what a manifest son is and the difference between a Lord and a King. We accept our Call to Dominion over the earth as mentioned in Genesis 1.

ECCLESIA AGE

Ecclesia age is moving to participating in government. No more spectators/listeners. We see we are all equal priests.

No paid clergy to do the job of showing us the way.

We recognise we don't go to church. We are the temple of the Holy Spirit.

We are one united body.

We operate around scrolls and ages we choose to live out of, so are outward not just focus on relationship with God and a receiving mentality.

We choose responsibility not just intimacy and cleansing. We can all become oracles seeing the heavenly blueprint. We can still make disciples without going to traditional church.

Seeing courts maybe in this age.

We learn to become a judge in our own courtroom and see we are called to be a father of generations.

We move away from wanting prophecy given to us but learn in Benches we can operate out of all four faces of God seeing a blueprint and doing a governmental act to operate in all four faces of God (lion, ox, eagle, man).

ORDER OF MELCHIZEDEK

We become one new man (uniting Hebrew and Greek Christian thinking) and awaken to the fact in eternity we are without genealogy, a spirit being capable of being outside time.

We move beyond spiritual warfare to seeing the positive heavenly blueprint and as light beings we transform the earth and co - create. We do not need to convert to Hebrew traditions as we are creating a new merged order (new Heaven and new earth) where the Jewish people are to give up their traditions also.

AGE OF PEACE

All verdicts are complete under the finished works of Christ. We don't need to warfare in the sense of killing dragons. We move above principalities and grow in understanding of who we are and our authority. We live out of our future selves. We can step into our future selves and see more about what we are doing and what character we possess to cope with it.

AGE OF REST

THIS IS NOT about letting go responsibility AND ENGAGING INTIMACY. Age of Rest is ruling in the midst of chaos. We have such authority that we show up to govern, no more legislating and more hearing cases in courts. ***We can rule by releasing angels, living letters, using our shepherd staff like Moses, breathing.*** Releasing light and a frequency. THE FATHER created then rested from creation but that rest is always hovering ruling. He never takes his rule away from creation in the day of rest.

AGE OF NEW BEGINNINGS

We see we live out of the reality of Rev 21 and 22 and abundance, where we see the need to create a new Heaven and a new Earth. We can begin our part in creating a new heaven and which when formed will lead to a new earth. But we have to create in heaven before we see a new earth.

We see we are the New Jerusalem descending ruling this like a city and our body represents the temple able to govern where ever we have a mandate. We hover over things and can mandate angels to keep the frequency going of the mandate.

AGE OF ZION - ETERNITY / Infinity

Here we rest fully on the complete finished works of Christ as Jesus died before the creation of the world we are told in scripture.

We reside and govern from many realms in eternity/infinity benching with the trinity, with father as ancient of days as we are told we are ready, and benching with Jesus in infinity in the city of Zion with DAVID ruling in rest over the cities / kingdoms we have created. Able to create new realms as Heaven is always expanding.

Rev 22 says we still rule. This is not works mentioned in the Bible as this is linked with salvation.

(See our pages to see the organic way we see the new wineskin meeting according to ages and scrolls not location).

THE BASICS OF LORDSHIP & KINGSHIP

By Bill Brady with editing suggestions & additions by Jane Johnson

1/11/2022

Lordship & Kingship

- By experience we see that Kingship is actually initially easier than Lordship.
- At least it was for us.
- With respect to ourselves Lordship comes before Kingship.
- But in practice we found ourselves doing The Kingship Journey first.
- We overcome personally as a King.
- Then we are given Lordship with respect to others.
- We are never to violate another's Sovereignty nor to control them in any way.

Lordship with respect to ourselves

- We all have Lordship with respect to ourselves.
- This Lordship is exercised from various Lord Thrones.
- It is important to not neglect our own Lord Mountains.
- It is equally important to not concentrate on Lordship to the neglect of Kingship.
- This is because we first learn to overcome as Kings.
- Once we have begun to overcome functioning as a Lord becomes easier.
- Do enough on Lord Mountains that you have energy & time for King Mountains.

Each of us has various Thrones.

- Health Throne
- Finances Throne
- Family Throne
- Friends Throne
- Ministry Throne
- Business Throne

Some of these Lord Thrones may not apply to everyone.

- Some do.
- There may be more Lord Thrones not listed here.

Most Lord Thrones have a local Sphere of Influence.

- All are associated with our personal life.
- King Thrones are more likely to have a greater Sphere of Influence.
- King Thrones may have a Sphere of Influence as great as World-wide/

King Thrones

We have 2 stages of function on any King Throne.

- The 1st Stage is a Crowning.
- Crowning is followed by on-the-job training on the Throne.
- Once our training has been completed we will have a Coronation on the Throne.

My Testimony of identifying my many King Thrones.

- Each King Throne was named by my function on that Throne.
- Some I saw by seeing them in The Spirit.
- Some I identified by seeing that a function that I was already doing is a Throne.
- Some I identified by destined functions given to me that I wasn't yet doing.
- Some I identified because of Men in White Linen that had come to me.
- Each major Man in White Linen had a King Throne associated with them.
- Over time my many King Thrones merged into 3 main King Thrones.

The 7 Elementary Principles of Kingship

1. Repentance from Dead Works
2. Faith Towards God
3. The Doctrine of The Laying on of Hands
4. The Doctrine of Baptism(s)
5. The Doctrine of The Resurrection of The Dead
6. The Doctrine of Eternal Judgment
7. Perfect Kingship

Ask for help from Spiritual Fathers.

- Some have been sabotaged by not asking for enough help.

Heavenly Prayer Methods

This is meant to be a quick summary for you to use as seeds but be led by your spirit and realize what spiritual age you operate from

The best way is to hear from intimacy and taking responsibility

This document is open for revision and debate if you feel the points are misinformed. Please comment on the webpage.

- We enter only through Jesus the gate/door(Rev 3:8). We have a heavenly invitation (rev 4:1) Going through the first love gate , then one of our spirit gates and then soul gates and body gates. (see gateway diagram).
- **We are not earthly beings trying to get into heaven** , we are heavenly spirit beings seeking to manifest heaven on the earth.
- We are fully **transfigured glorified beings so we can release all that is in heaven from eternity**
- WE MUST GET A MANDATE TO DEAL WITH BIG ISSUES(every thing personal and in our family , we already have a mandate)
- Intercession is **not standing between the devil** and the situation but standing between the situation and God so speaking to the devil is not the right approach .
- **Commanding** our body and soul to come under our spirit and for our marrow to live
- **Expanding your spirit and brooding/vibrating** over someone
- Arcing as a tree with Jesus (rev 21) setting up a flow of provision
- **Holding people in your heart** and stepping into Jesus' heart to see from His Eyes.
- **Releasing creative light**. The higher our vibration by what we do in heaven the greater the frequency we release.
- **Calling** forth people to our mountains .
- **Going into the court of accusation** (mobile court) (See court protocol page). But depends on what spiritual age you choose to operate from .
- **Preparing court cases** and putting things into legislation via authorization by the court of chancellors and written into law by the court of scribes ie. being a legislator
- **Trading** on the sea of glass. (see trading floor page for positive and negative trading).
- **Re-enforcing verdicts in courts.**(Ruling on our scroll or personal mountains). We may not see immediate answer to court cases . We can throw the familiar spirits into the fiery lake.
- **Mandating as kings**. When you are a King you can see what comes out of your spirit and write it on a scroll which is then given to chancellors court for approval. Sometimes this may be no.
- Using your authority stepping into Jesus body being in the name (not just saying in the name).
- **Applying the blood** over things (like painting
- We can drink the wine of wisdom or our men in white linen . Religious communion taking I see as lower age
- Living out of dual realms so we are constantly living in heavenly realms not going in occasionally.
- Asking for the **dividing of soul and spirit** until the soul matures and comes into oneness with the spirit.
- **MANDATING ANGELS to Slay dragons giants and kings on your** mountains, your gateways, and your scroll.(Principalities, powers (sex money power) domains . This is really a job for angels though. We are seeing that there is more revelation about not putting emphasis on the devil and more on producing creative light . **The devil is not allowed access in Heaven so we are safe dealing with things in heaven.**

- Seeing blueprints in heaven or dragons and coming into agreement, slaying them or presenting a case together. Getting a fourth person to agree after opening a window.
- Mature Sons **interact with councils**, e.g. bringing a case to the council of 70, as in 70 elders, court of men in white linen. This is usually being told that you have authority to go here. Not for the beginner.
- **Raising your sceptre** and hand over your mountains representing the hand of God
- **Breathing the breath of God** over situations or roaring like a lion many experience.
- **Revitalizing ancient wells** (this must be done in heaven - not in the atmosphere of the earth). We will not get BACKLASH when in Heaven but this can happen acting in the atmosphere of the earth.
- **Speaking as an oracle** where we see direct revelation (versus a prophet that hears at a distance)
- Commanding prince **warring** angels over your nation , city to fight on your behalf
- Building a nest in the tree of life for a nation and becoming a living lightening bolt.
- **We need to keep our bodies** to interact with the earth- so not buying into death is important. Like Moses.
- We can engage the **fiery** stones coming out of the river of fire to engage the 9 fruits of the spirit (love joy peace etc). These leads to a throne showing the fatherly characteristics of God .
- Engage **eternity** through fiery stones , or the timeline by setting our hearts on it or the arc of covenant . This is one of the dimensions of heaven.

MISUNDERSTANDINGS

Jesus is the way, so there are many ways to access heaven, but here are a few possible misunderstandings:-

- We DO NOT Come into agreement with what someone wants to see.
- Pray requests but just step in the court of accusation.
- we seek now to go into heaven and look for the heavenly blueprint and deal with accusations stopping things - often we don't know what is best unless we look for heavenly blueprint so ruling on our mountain often without words is better so we can move to be a lord .
- Do not do court cases outside our authorization.
- Don't Declare what we believe to be right without seeing a heavenly blueprint.
- Don't Feel we are not able to step in until we know more or can see. We can step in by faith.
- Have to have an expert go into the courts for us.
- Always go into heaven on our own (we often see more with others as coming into agreement).
- Ideally not engaging without reviewing our gateways/presenting ourselves as a living sacrifice and honouring some of the nine voices in heaven.
- Not seeking to operate spiritual gifts in the kingdom of the earth and not stepping into heaven. There can be backlash, whereas in heaven we are above the enemy and he has no access, other than being called into the courts at our request.

- Not just saying "in his name " but stepping into Jesus and walking in the authority you are recognized by in heaven . So our crowns matter.
- Not repenting for individuals or going in the courts for them without permission . Better to encourage them to learn for themselves to go in rather than building a dependency on others which is not the mark of a mature manifest son.
- Not calling for revival in sense of heaven coming down but legislating for manifest sons to appear
- Feel we have to be in a TRANCE all the time to access heaven . We live in dual realms and can access heaven whilst doing things on earth . We are already seated in heavenly realms

Why we believe the Covid injection is the start of the Mark of The Beast

10/4/2021

The Revelation of Jesus Christ says the Mark of the Beast of The Earth has following characteristics:

1. It will stop you buying and selling unless you take it.
2. It is a mark on the hand or forehead.
3. It will cause malignant sores (cancer).
4. The Beast will threaten death to scare people into taking it.
5. The Saints are called to wait with perseverance until it is destroyed.
6. There will be a war of the kings of the earth against the Lamb and Yeshua riding on the white horse (we do this too with Yeshua).

Real Factors existing now :

1. Covid stands for certificate of vaccination id intended to be a control system.
2. The head of the global repository says it contained an azure system that linked with a social credit system to stop you buying and selling. (See lifeforce.cc)
3. The patent contained the number 666
4. It has been disabled but another version could be reinvented
5. There is increasing evidence it contains artificial intelligent nano bots well recognized to deliver things to the cells which can change your DNA.
6. The desire of the anti-christ is to change your DNA so you are no longer pure and become the pure Lamb able to take sin away with Christ in oneness.
7. The next phase may be a digital tattoo that is placed in your hand.
8. Each booster increases the toxic effects that may take several years to show and may cause sterility.
9. Depopulation is always an anti-christ agenda as they view themselves as the chosen and everyone else is cattle, there to provide negative energy (loosh) which they feed off.
10. We have to restore our sovereignty as kings and priests with the dominion mandate as they know we are powerful to create/ make all things new.
11. The earth is overseen by a good alliance (not of world leaders but other non-Earth plus the human Kim Gougen as Guardian.
12. We are meant to take authority as Sons of God over these councils.
13. This is not a power grab.
14. It is simply The Sons of God taking their destined place.
15. The Sons of God are not yet ready to do so at this time.
16. This is because The Sons of God are still in training.
17. In the meantime God works through others for the benefit of all.
18. We honor & thank those who He is working through.
19. When the time of transition comes it will be done with continuing honor.
20. And continuing representation for all.

Scripture:

‘Then the seventh angel sounded: And there were loud voices in heaven, saying, “The kingdoms of this world have become *the kingdoms* of our Lord and of His Christ, and He shall reign forever and ever!’ The Revelation of Jesus Christ 11:15

The current covid shot is not yet the full-on Mark of The Beast.

- We are still heading towards the full-on mark of the beast.
- This is necessary to state.
- Those who take the mark of the beast are lost forever with no way to go back.
- We don’t want anyone thinking that they are in that place yet.

‘Then a third angel followed them, saying with a loud voice, “If anyone worships the beast and his image, and receives his mark on his forehead or on his hand, he himself shall also drink of the wine of the wrath of God, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. And the smoke of their torment ascends forever and ever; and they have no rest day or night, who worship the beast and his image, and whoever receives the mark of his name.”

The Revelation of Jesus Christ 14:9-11

We are not quite yet at the actual Mark of The Beast.

- What is happening now has elements of the mark of the beast.
- It is a part of a transition that is quickly headed towards the mark of the beast.

Furthermore, taking the so-called vax does have spiritual side effects.

- It does hinder ability to see & hear from God.
- It hinders ability see the revelation of truth.
- It does have spiritual consequences that are best avoided by not taking it.
- It is not yet at a place where spiritual consequences cannot be reversed by repentance.
- Taking the vax is doing the will of The Beast & The False Prophet.
- It certainly isn’t doing the will of God.
- It is not part of making our bodies a Living Sacrifice. (See Romans 12:1-2.)

Hope with respect to The Beast & The Mark of The Beast

- We don’t see that The Revelation of Jesus Christ has to be followed step by step.

Rather, we see it as revealing 2 things:

1. The highest blueprint Destiny.
2. And the worst-case scenario of The Beast & The False Prophet.

Our highest blueprint Destiny is certain.

- As long as we do the needed Journey.

The worst-case of the Beast / False Prophet can be lessened.

- Or may even be avoided.
- We do this by functioning in Kingship & The Kingdom.
- All of The Kingdoms of this World will become part of God's Kingdom.
- Functioning in upper-level Kingship they will become our Kingdoms.

We will be King of kings over The Kings of the Earth.

- They will be our administrators.
- Or they will be destroyed.

Some of the names of Sonship

- The Christ of God
- The Christ
- The Christ Headship = The King of Kings
- The Son of God

What is a MANIFEST SON? And why is it crucial?

by Jane Johnson - Founder of Ecclesia Framework

Our pages are not meant to be teaching but seeds for immediate encounter if applied as led.

“One of the biggest verses in scripture showing the big picture is this one.”

"ALL CREATION IS GROANING FOR MANIFEST SONS TO BE REVEALED."

This describes the end game. If we don't know the end game we could end up playing a smaller game and missing the goal.

Seeing we are already manifest sons but on a journey to being revealed which takes walking in union with Father. It is more than mindset I see but yielding all the aspects of the soul (including: will, emotions, consciousness, subconscious) and body to Gods total government.

This is my first attempt to define so am open to the body to bring feedback as long as done in a respectful honoring way keeping dialogue open not shutting it down. It is your responsibility to ask, not teachers to define. Asking in question form can help.

These are not absolutes but possible manifestations:-

- On a continual journey of not taking camp, recognizing the ages they operate from and how this affects how they see their full identity.
- May Govern and Reside from Eternity (the was), co creates and rules with Jesus as a co heir from Infinity (is to come). **Rev 22 "we will rule with him age after age."**
- Inhabits/resides in the city of Zion (creating cities which become a kingdom to rule over).
- Knows their authority fully.
- king of kings.
- Is like ancient of days (immense wisdom).
- Sees the god head face to face.
- May be recognized as a chancellor through investiture then coronation.
- sees intimacy and responsibility as part of the same thing all entangled together.
- Can govern outside of time (not just visit).
- Knows they are the pure and spotless bride and is heaven (not going into heaven for lack).
- Understands the timeline and how to engage Metatron's cube.
- Can write new laws on the sapphire cube.
- Knows how to create in infinity and create cities.
- Can bilocate (i.e., appear in two places at once) or disappear like Philip and the disciples by moving realms (translocate).
- Rules as a bench of 2 with Jesus in city of Zion as a co heir over their joint kingdom.
- Operates as a bench of 1 with all creation.

- Understands about mandating angels and engages angelic canopy in their function.
- Can operate across realms and dimensions.
- Can manifest abundance of all things.
- Has discovery on their scroll.
- Knows their scroll intently and lives it 24/7.

- Fathers generations not just individuals.
- Is on a journey to immortality as shadow of death was never our original destiny . By choosing to eat off the tree of knowledge of good and evil and not return to eat off the tree of life , death became our destiny.
- Knows they are gloried ,sanctified transfigured like Jesus (a spirit being first, not a human being). Sees they are made of Gold dust.
- Experiences rich time as lives out of the timeline.
- No desire to sin.
- Doing greater works (rather than will do).
- Materializing matter in this realm - creating in creation.
- Functioning as open gate - shadow healing.
- Sees holy spirit face to face.
- Understands legislative representation within creation, outside creation, in new creation.

SOME DECLARATIONS OF OUR FULLEST DESTINY (important to do them in relationship/encounters not as religious protocol).

I have life to the full.

Abundance is my birthright.

Complete health is normal.

My body soul and spirit are perfectly aligned under the Holy Spirit.

I experience everlasting peace, joy and love.

I know I am a co heir with Christ.

I am fully transfigured, glorified.

I can see the father and Jesus face to face.

I will do greater things than Jesus.

I am a creative spirit being (not a human being).

The kingdom is within. There is no temple or church we need to go to.

I eat freely from the tree of life and live out of the source of the river of life.

I bench with all in Heaven as one united body.

I allow my scroll to be fully fulfilled.

I choose the spiritual age I operate from and I choose the highest greatest destiny.

My book of life (what I currently experience) is perfectly aligned with my book of destiny.

I accept the fullest design of Christ for my life and that is immortality.

Every Group of believers functions in a Group Identity.

- There are levels of Group Identity.
- Each level of Identity has a corresponding level of Function.

A Group of believers has a Journey as a Group.

- The Journey has a Beginning & an End / Goal.
- Group function begins as a Flock.
- It ends as a Temple.

Some Groups may gather together later on The Journey.

- The Group will still function at a specific level as a Group.
- Each one in The Group needs to be personally functioning at that level.
- Or intentionally Journeying towards personal function at that level.
- As a Group they function at that level.

The 5 levels of Group Identity / Function in order from Beginning to End

1. Flock
2. Body
3. City
4. House
5. Temple

Flock

- Yeshua gathered a Flock of Sheep / Disciples.
- Disciples are baptized & taught.
- This was before His Death, Burial, Resurrection, Ascension & seating on The Throne.
- This was before The Spirit & The Kingdom came.
- The word "Disciple" is only found in Isaiah, The Gospels & Acts.
- The reason why Disciple is not found after Acts needs further Discovery.
- It looks to me that Disciple is replaced by member of The Body of Christ.

Body

- The Body of Christ is made up of Members of The Body.
- Members are Feet, Hands, Eyes etc.

- A Body has a Head.
- The Head is Head of The Body.
- The Head of The Body of Christ is Christ.
- The Body of Christ is also The Bride of Christ.
- The Bride of Christ is prepared to be The Wife of Christ.
- Husband & Wife are One Body which means they both become The Head.

City

- A City has a King.
- The King is Head of a City.
- A City is also a Bride.
- A City prepares us as A Bride to become The Wife of The King.
- A City prepares us to become a King of The City.
- Every City has a Name.
- A City prepares us to function fully in that Name.
- The most clearly revealed City is New Jerusalem.

House

- A House has a Father.
- The Father is Head of The House.
- A House is made up of Sons who are functioning as Kings.
- A House prepares us to become Father of a House.

Temple

- A Temple is a House.
- It is a House made up of Sons who are functioning as Priests & High Priests.
- The Head of a Temple is a Father who is functioning as a God.
- The Temple prepares us to become a God.

How does The Group Journey relate to The Resurrection?

- The Group has identity before & after the Resurrection.

There are 2 levels of Resurrection that a Group will experience.

- The Resurrection of The Soul
- The Resurrection (Change) of The Body

The Resurrection of The Soul

- The Old Soul is resurrected to New Life as The New Soul.
- This means a New Mind, New Emotions, & a New Will.

The Resurrection of The Body

- Some will experience Resurrection without dying.
- This is called The Change of The Body.
- It is a Change from an Old Body to a New Body.
- The Old Body has Sin / Wrong Trading & Death in its DNA.
- The New body does not.

Before the Resurrection of The Soul, The Group is a Flock.

- Some of them are training as Apostles.

After the Resurrection of The Soul, The Group is a Body.

- The Body begins a Journey from Body to Temple.

Group levels after Resurrection with corresponding Heads

- A Body has a Head.
- A City has a King.
- A House has a Father.
- A Temple has a God.

Here is the whole Pattern of The Group Journey.

~~~~~Little Child with Resurrected Spirit~~~~~

- A Flock has an Apostle as Forerunner.
- A Body has a King as Head. Spirit

~~~~~King with Resurrected Soul~~~~~

- A City has a King with a Resurrected Soul as Head. Soul

~~~~~Son of God with a Resurrected Body~~~~~

- A House has a Son of God with a Resurrected Body as Father / Head.
- A Temple has a God as Head. Body

## The 2 Transitions

- The Resurrection of The Soul
- The Resurrection of The Body

## The Addition of Son of God to Christ

Yeshua builds His Ecclesia on 2 revelations.

1. “You are / I am The Christ.” (Christ = King)
2. “You are / I am The Son of The Living God.”

## David & Solomon

- David sat on The Throne of David as King of kings.
- Solomon sat on The Throne of David as King of Kings & Son of God.
- Yeshua followed this Pattern as Forerunner for us.

Yeshua is Christ (King) & Son of God.

- So are we.
- First we are King.
- Then we are King & Son of God.

## More on Cities & The Temple

There are 3 types of Cities.

1. The 12 Cities that The 12 Strands of DNA become.

2. The Cities that correspond to 6 of The 9 Realms.
3. Cities that we create in Infinity.

The 6 Cities that correspond to The 6 of 9 Realms

- City of God corresponds to The Everlasting Realm
- City of Salem corresponds to The Beginning Realm
- City of New Jerusalem corresponds to The Creation Realm
- City of Zion corresponds to The New Day Realm
- City of Jacob corresponds to The Zion Realm
- City of David corresponds to The Infinity Realm

Realm

- The English definition of Realm is “A Kingdom”.
- Becoming The King of one of these Cities makes that Realm our Kingdom.
- We are King of that Realm.

The other 3 Realms don't have a corresponding City.

- This is because these 3 Cities don't correspond to a City.
- Instead they correspond to The Temple.
- The 6 Cities are One City.
- (6 is The number of Man.)

The Temple is in The One City.

- Becoming The Son of God in these Realms makes that Realm our Kingdom.
- We are Head over that Kingdom Realm.
- Other believers in our Group grow up into us as Head of that Realm.

Encounter:

- Take up your Kingship Headship over each of these Realms.
- You may find that you are not ready for Headship over so

**What is the New Wineskin?**

by Bill Brady

### **What is the new wineskin?**

- When the people of Israel came to Mt Sinai YHVH asked them a question.
- “Will you marry me?”
- Moses, Joshua and Caleb said “Yes”.
- The rest said “No”.
- They didn’t want a face to face relationship with God.
- They wanted Moses as a middleman for them between them and God.

### **This was the beginning of the old wineskin.**

- The house of Israel was meant to be a nation of kings and priests.
- EVERYONE was to be a king and a priest.
- Instead they became a nation that had a few kings, priests and prophets.

### **Think about it.**

- The Order of Melchizedek.
- 4 faces of God.
- We are all kings, priest, prophets and APOSTLES.

### **Jesus is our forerunner.**

- I am asking new questions.
- “Is the true nature of the office of the apostle to be a forerunner?”
- “Is this what it means to be sent out before the Ecclesia?”
- I sense that it is.

### **In the order of Melchizedek is the union of these 4 offices back into one.**

- King, Priest, Apostle and Prophet.
- All of God’s people each function in all 4 offices.

### **In the Order of Melchizedek, we see the complete reversal of the old wineskin.**

- A restoration back to what was meant to happen at Mt Sinai.
- Overcomers are simply fully functioning members of the Order of Melchizedek.
- We are those who have said “yes” to YHVH at Mt. Sinai.

### **Now see Acts 2 with new eyes.**

- The remnant who have become overcomers are brought full circle back to Mt Sinai.
- Jesus has prepared them for this day.
- He has spent 3 1/2 years preparing them become His friends.

- Then He went to the Garden and the Cross.
- After His Resurrection he spent 40 days speaking to them of the Kingdom of God.

**Once again it is the day of Pentecost.**

- Once again the people of God come to Mt. Sinai.
- (Long ago the law of Moses had been given at Mt Sinai on the day of Pentecost.)
- This day is a second chance to get it right.
- Once again YHVH asks His people to marry Him.
- This time the overcomers say “Yes!”
- They to say “Yes!” daily as they journey to the day of their wedding with the Lamb.

**Jesus functioned as king, high priest, apostle and prophet.**

- He functioned in the Order of Melchizedek.
- He also functioned in the Kingdom of God.
- This is the new wineskin.

**We become the new wineskin when we do the same.**

- We have said “Yes” to God’s marriage proposal at Mt Sinai.
- We have drawn near to God.
- He has drawn near to us.
- We have come into a face-to-face relationship with Him.
- We are functioning as kings, priests, apostles and prophets.

**This is the new wineskin.**

- You have a face-to-face relationship with your YHVH.
- With no middleman between you and your God.
- You are a bride who is on a journey to become the wife of the Lamb.
- You are functioning in the Order of Melchizedek.
- You are functioning in the four faces of God.
- As a king, priest, apostle and prophet.
- You are on a journey into functioning fully in each face.
- You have been given the kingdom of God.
- And are on a journey to possess that kingdom.
